

# Lancing College Prep Newsletter

Summer Term 2010

## Note from the Head Master

Dear Parents,  
Once again this Newsletter comes with a rather celebratory note as I am happy to be able to report that all Year 8 pupils have passed Common Entrance Examinations to their first choice schools. Not only have they passed but most have achieved very high grades and we are extremely proud of their achievements. As I write this letter to you they are in Wales on an end of term residential experience and I look forward to congratulating them upon their return.

## The History of the Musical

Tickets are now on general sale but selling very quickly. There is no limit to the number of tickets you can buy but you will need to move fast to avoid disappointment. For logistical reasons it will not be possible for the rest of the school to see a full performance of the show so they will need to watch with their parents at one of the three performances:

**Tuesday 6<sup>th</sup> July at 7:15pm**    few tickets remaining  
**Wednesday 7<sup>th</sup> July at 2:15pm**    plenty of tickets (if you wish to take a child to this performance they will be able to leave school early on this day)  
**Thursday 8<sup>th</sup> July at 7:15pm**    SOLD OUT

## Summer Fete

Just a little reminder that it is our Summer Fete this Saturday 19th June between 12-3pm. Please bring your families and come and join in the fun.

***Christmas Party Dates:***

***Prep School Disco  
Friday 26th November***

***Adults Party  
Friday 3rd December***

## The Children's Concert

We were well represented at the Church of the Good Shepherd in the Children's Concert on Thursday. From the Junior Brass Group to some beautiful solo performances we were able to showcase all that is good about the performing arts at Lancing Prep. Other schools present were Windlesham and The High School but neither showed the variety or enthusiasm that our pupils demonstrated.

## Science Challenge

Dr Cooper is really proud of the year 6 pupils who took part in the Science Challenge afternoon at Lancing College last month. They competed in challenging activities in biology, chemistry and physics against 10 other schools and were the overall winners! Well done!

## Under 11 Chess

Congratulations to the Under 11 chess team who came runners up in this year's Sussex Schools League Division 2. Tom Haxby, Joseph Rustom, Philip Hartfield and Samuel Banfield all played well on the day and we lost a very close final on the chess equivalent of a penalty shoot out.

## Maths Challenge

Good luck to the Maths Challenge team taking part in the National finals in London on Monday. Jack McMinn and Louis Skinner will join two third formers from the College having already won the Southern Area final.
