Spring Term 2010

Note from the Head Master

Time rolls on relentlessly towards the February Half Term and next week we will be sending home interim assessments for all children in Years 3 – 8. Pupils and staff have been working hard to catch up on lost opportunities from the beginning of term and it has been good to see the sports teams in action again. Particular congratulations to the Under 11 footballers who were crowned County Champions last weekend. Please note that next week will run as normal including clubs and activities on Friday afternoon. Have a restful Half Term when the time comes!

U11 Sussex Championship Success!!

After winning the Brighton 'small schools' 7-a-side competition in the Autumn, the Lancing Prep U11 team were invited to represent the city at the Sussex tournament. The tournament was played on the 3G pitches at Falmer and each group was made up of 5 different teams.

Match 1 Won 3-0

Match 2 Drew 0-0

Match 3 Won 2-1

Match 4 Won 5-0

The competition came down to the final game which Lancing Prep had to win by three clear goals!

All the boys received trophies and had their picture in Argus on Wednesday.

Sports Kit

Please note that this year pupils representing the school at cricket will be expected to wear a school cricket shirt with the College Logo. Club shirts with large sponsors names emblazoned across the chest will no longer be permitted. The new school shirts will be available for all pupils (Years 3-8) to purchase and wear during games lessons, please see the uniform list for details. Stock should be arriving in the school shop shortly and certainly before Easter.

Sport Relief 2010

This years Sport Relief day is on Friday 19th March. Further information will follow shortly relating to the theme for the day's fundraising.

Second Hand Uniform Shop

Our second hand uniform shop is running low on stock, so any donations will be greatly received! All monies raised from the uniform shop will either go directly back into the Lancing Prep PTA or towards the relevant charity on a specific fundraising coffee morning. Thank you.

New Astro Turf Path

You will be pleased to hear that the new pathway leading from our Hove Park Road gate to the terrace has now been fitted. Lancing College purchased a large strip of astro turf which has made a world of difference to the children and parents walking in from that direction. Please remember to use the bottom gate as much as possible due to the ever increasing traffic along The Droveway. It's a much safer option! With thanks.
